This was by far our best experience in Vietnam. We took a tour for my family with two kids and they loved it too. We learned so much about the culture of the local people and had a brilliant guide. The mai chau load get is such a lovely place to stay and provided an extremely relaxing escape from our first two days in Hanoi.

Peaceful Mai Chau Valley!!!

On a vacation back to my beloved Vietnam, I chose Mai Chau as my destination to relax with my old friends. Everything's here so amazing. Different from the busy life in Ha Noi, Mai Chau is a quiet romantic village with picturesque landscape, fresh air, mighty mountains, mysterious caves, friendly people and awesome foods. It's really an interesting experience. In the afternoon we had an unforgettable memory. We visited two villages nearby and the special thing was we went by bike. Can you imagine? It's really really fun. After dinner, we walked to a ground near our stilt house and joined a campfire fulling of various games. We sang, we danced and we laughed a lot. We tried "ruou can" - a characteristic wine of Thai people, too. There's a lot of shop with colourful traditional clothes and lovely souvenirs. We even tried traditional dresses and took a lot of photos. It's an awesome trip and I absolutely come back here in near future.
